### **Developments from the Nominations Committee:**

1. It has worked well to have the same chair for this committee and the Deacon Nominations Committee. Crystal Leathers will serve as chair for both next year.
2. The committee has moved to online collaboration using Google Sheets (cloud-based, shared spreadsheets) and Zoom meetings.
3. Last year the committee and the DEC agreed in principle to begin converting all committees to a "3x3" membership structure: 3 members per class, for 3 year terms. It will take two more years to complete this conversion, but we're well on the way, with every class of 2023 populated with 3 members. This change is intended to facilitate institutional knowledge and leadership succession and to reduce confusion about the structures of Knollwood committees.
