Vulnerable Bodies and Resurrection Hope: A Lenten Study

Early Christian beliefs about the afterlife often allow us to witness how long-ago followers of Jesus experienced their own embodied lives and loves. We'll put New Testament passages alongside other writings to see how ancient followers of Jesus reflected on and wrestled with their experiences of bodies, souls, vulnerability, hope, fear and faith.

10 - 10:45 AM, with a time of fellowship beginning at 9:45 AM.
